📍 Sydney, Australia

Experience

1/2017 - Present

Prototyping Intern

Atlassian

Working together with designers to build web based prototypes for user testing as well as teaching designers how to build their own code prototypes.

12/2015 - 12/2016

Full Stack Engineering Intern and Associate

Macquarie Bank

Started as an intern and invited to stay as an associate, developing new features for a web platform used by financial traders.

12/2014 - 2/2015

Front End Engineering Intern

Commonwealth Bank

Designed and developed the user interface of a platform to be used by bank employees.

Technical Skills

Frequently use:

HTML, CSS, Javascript, Node.JS, Pug, Stylus, Sketch

Experienced with:

Python, Java, C++, C# .NET, Haskell, PostgreSQL, Perl

Soft Skills

I have experience in diverse team situations through my education, internships, teaching and side projects.

I was given full responsibility over work in all internships, including running demonstrations and incorporating stakeholders' feedback.

Education

3/2014 - 11/2018 (Expected)

Bachelor of Software Engineering

University of New South Wales

Distinction Average

7/2008 - 12/2013

International Baccalaureate

Ravenswood School for Girls

IB Score 39 | ATAR 97.30

Side Projects

2016 - present

rUNSWift - Computer Vision Lead

As part of UNSW's robotic soccer team, I managed and helped code the rewrite of our vision architecture system ready for the Robocup SPL competition in 2017.

2016

TEDxUNSW - IT Manager

Lead the development and maintained a website for TEDxUNSW's inaugural event.

Achievements

2014 to Present - Received a Co-op Scholarship for Software Engineering

2015 and 2016 - Included on the Dean's Honour List

2012 - Accepted into NCSS' Summer School, with invitation to return in 2013

2010 to 2014 - Completed Gold, Silver and Bronze Duke of Edinburgh

Interests

Photography, Travel, Adventuring, Cooking, Music, Movies, DIY, Design
